To Whom it May Concern:

Global Training Centre would like to take this opportunity to thank you for your interest in the Ground Disturbance Train the Trainer program. Enclosed is your complete application package including detailed application process instructions and letters.

To date, Global has assisted thousands of clients in their training requirements worldwide and have become renowned for the quality and standards that back each program. These standards are the basic agreements with which all franchised instructors operate and provide confidence in the program consistency regardless of the location and party delivering the program.

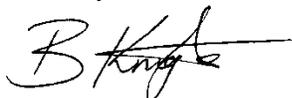

Global reserves the right to remove the Global franchise from any individual that does not uphold these strict standards at all times when delivering the franchise program. Aligned with these standards, the Ground Disturbance Train the Trainer program is offered on a franchise basis to successful candidates.

As a minimum the instructors will be required to:

- Complete the Ground Disturbance Train the Trainer Program
- Complete the audit within first five courses or within 180 days (whichever comes first)
- Uphold the student material requirements
- Uphold the student/instructor evaluation requirements
- Uphold the Instructor's Code of Ethics
- Complete the certificate refresher requirements (*as per the Instructor's Guideline provided in the program*)

We at Global look forward to working with you as a franchise instructor and I am sure you will find our products, service and franchise support will more than exceed your expectations. If you have any questions or concerns do not hesitate to contact myself.

Sincerely,

Brian Knight
External Program Manager
